

DR. HUGH'S DENTAL

5/23/2018

Dear Patients' of Dr. Hugh,

It is with great honor and pride to announce Dr. Hugh Hawkins was inducted as president of the New Hampshire Dental Society on May 18th, 2018.

New Hampshire Dental Society encourages the improvement of the health of the public for the peoples of New Hampshire and to promote the art and science of dentistry.

This one year commitment involves various commitments with state representatives, dentists, physicians, dental companies, insurance companies, public health representatives, other state's dental societies and organizations, the American Dental Association and of course New Hampshire's dental patients.

Although the above requires many hours away from family and his practice, Dr. Hugh and his staff will do their best not to change your appointment on short notice. We appreciate your understanding and are excited to have such an honor bestowed on our dentist.

Sincerely,

Tamra Perry, CDA
Office Manager
